The LEBRON will, on Saturday, April 13th, issue a special "Easter Number."

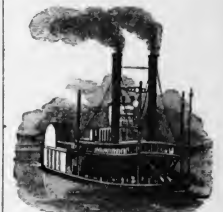

It will consist of 8 pages, with a page devoted to Easter, embracing a story by Colonel Will L. Vischer, formerly of the Kentucky press and well known throughout Mason and adjoining counties.

This edition will be a trade catcher, and advertisers may depend upon getting what they pay for.

We will see if some of our merchants are as willing to patronize a legitimate home enterprise as they are to jump at every "fake" that comes along.

RIVER NEWS.

Numerous items of interest found floating on the current.

Gauge reads 30 and on a stand.

The Bonanza will be the Pomeroy packet tonight.

The Ruth is due down this afternoon from Portsmouth.

The St. Lawrence will make things lively between Pomeroy and Cincinnati today.

The river is now rising from Pittsburgh to a point below Cincinnati, with prospects of a 12 foot stage at headwaters.

The towboat Sydney Dillon will leave Cincinnati shortly with a tow of salt for St. Louis and Memphis, those two tows being too fresh.

The passengers of the ill-fated Iron Queen say that Crawford, Jackson, Calhoun and Clark Kerr are deserving of special praise for their coolness and bravery, and that many lives would have been lost if they had not been aboard.

It is now positively asserted by Colonel George H. Martin that Maysville will have a baseball team this season, and also a new park. Ground will be broken for the latter next week, and the things that looked so dark and gloomy last week to our local "fans" now have the silvery lining. This is on the "square."

Major A. G. Hamilton was shot and killed at Morgantown, and Sam Spencer and Alfred Belcher were under arrest for the crime. Belcher has confessed. Major Hamilton was a Federal soldier in the Twelfth Kentucky Cavalry, and was one of the leaders in the famous tunnel escape from Libby Prison in 1864.

None of the railroads in the state are enforcing the separate coach law, if reports are true. The Spencer Courier relates that two negro women boarded a passenger train in that county a few days ago and took seats in the car reserved for white passengers. They were not molested, the Conductor in charge of the train saying that his instructions did not allow him to eject the negroes.

The flooring of the Cincinnati Suspension Bridge caught fire midway between Covington and Cincinnati. A load of hay was passing at the time, and the driver endeavored to force a passage despite the flames. The hay caught fire. A crowd speedily collected, organized an impromptu fire brigade, and with pitchforks started the burning hay into the river. But little damage was done to the bridge. The fire originated from a spark thrown by a passing stambol.

Get There With His Trillium. Commercial Gazette.

The boys around the C. and O. Passenger Office yesterday congratulated Frank J. Zinger on his election to the City Council at Madisonville. Mr. Zinger went into the fight against strong Republican odds, but was elected by 57 votes, and ran ahead of his ticket 187. He is the only Democratic member of the new Council, considering the strong Republican element, his victory may be considered a personal one, attributed to his popularity.

Another Lie, Perhaps!

What Is Said to Have Happened in the State of Lewis.

It is said the woman's husband and her mother are under arrest, and it is said the community is in an ugly frame of mind over the crime.

All this is said to have taken place in Lewis county, which is said to domicile the most unmitigated newspaper liar this side of Hellipolla!

THE LAST STRAW.

He bore each passing fair or whin. No wish met his denial. Her lightest word was law to him. He stood all test and trial. Even whistles of her broken oath. But he gave her back her plighted truth. The day she put on bloomers. —Judge.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notions" for any more than a servant can take over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Continued Calls upon THE LEADER for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppers, entertainments, balls, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEADER will charge FIVE CENTS A LINE, and heretofore this will be the lowest rate. This, however, does not include.

Notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes. Misunderstandings are unpleasant. The rate for Business Notice in THE LEADER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line notice inserted in the paper. It will not when printed be more than four lines. The advertiser pays for the five-line notice. He is not to be paid for the four-line notice. He is not to be paid for the four-line notice. He is not to be paid for the four-line notice.
